CALL FOR Panels

IEEE MECOM 2024 invites submissions for panel proposals to enrich the conference program alongside the standard technical sessions. The panels will bring together speakers from industry and academia to discuss hot topics of interest to conference participants.

The panel proposals should include the following information:

- Proposer’s information (name, affiliation, email address, telephone number)
- Title, Motivation and Background
- List of 5 questions to be discussed/answered in the panel
- Names, affiliations, brief bios, and presentation titles of panelists (or potential panelists)

Structure of the Panels

- The panel should not have more than 4 panelists.
- The organizer is supposed to be the moderator. There should be only one moderator.
- The organizer should prepare in advance a few questions on the panel topic and give them in advance to the panelists.
- The panel occupies one session time-slot, i.e., 90 minutes
- Panels will be held during the conference program, in parallel to other technical sessions.
- The moderator gives a 10-minute presentation at the beginning of the panel, to introduce the topic.
- Panelists are expected to give a 10-minute presentation with a small number of slides before the round table discussion.

PANEL PROPOSAL SUBMISSION

The proposals should be submitted to the Panels Co-Chairs through email:

- Arafat Al-Dweik: arafat.dweik@ku.ac.ae
- Ala’ Khalifeh: ala.khalifeh@gju.edu.jo
